

• **Service Learning**

Service Learning is a vital part of the student involvement at Pine Lake Preparatory Middle School. We encourage the students to participate in the community and serve others through their actions and efforts within the outside community. All students are required to complete 40 hours of service learning hours per school year. We encourage the students to complete these hours in a variety of different ways and not simply with one organization or group. As the hours are completed please fill out the below form and return to the Middle School office for our files.

Student Name: _____

Description of Service Opportunity: _____
