

# Lower School Fun Run

## A STUDENT-CENTERED FUNDRAISING EVENT

The Lower School Fun Run and obstacle course is an opportunity to teach and model the act of giving to Pine Lake students. Unlike traditional public schools, charter schools do not receive funds for their land, buildings, transportation or capital projects. It is through Pine Lake's fundraising efforts that we are able to overcome funding inequities. Teaching our future leaders about stewardship and working together for a common goal is of great value to our community. The Lower School Fun Run and obstacle course gives students the opportunity to acknowledge the needs of our school and encourages them to find ways to raise funds. We believe that every student can make a difference at Pine Lake.

# LOWER SCHOOL FUN RUN

## HOW CAN STUDENTS PARTICIPATE?

### LOWER SCHOOL FUN RUN Hosted by Coach D and Crew!

All lower school students will have the opportunity to participate in a fun run the **week of March 21st**. Students have the opportunity to raise money for their school by asking friends, family and local businesses to sponsor them in the fun run. Donors may make a flat donation or a per lap donation.

On the day of the fun run the student will count the number of laps they run. A lower school lap is a modified track with obstacles. After the Fun Run the student will follow up with the donor to let them know how many laps they completed. In the example, the donor pledged \$1 per lap and the student completed 35 laps. Therefore, the donor would donate \$35 to Pine Lake on behalf of that student. On average students complete 35-45 laps.

Students are not required to run however they are encouraged to enjoy their time with their class as they run or walk however many laps they feel comfortable doing!
