

**PLP Summer Reading 8th Grade
2020-2021 School Year**

Each 8th grade student will select one of the following for summer reading: an autobiography, biography or memoir. You will read the work in its entirety and be prepared to discuss and present, at length and in detail, the essential elements, events and information about your person's life. You should also be able to discuss, at length and in detail, why you selected this person, his/her impact on history, pop culture, music, the world of sports, etc. (depending on who you've selected).

You will not begin any work specific to your project until we begin the 2020-2021 school year. However, your book should be completed before we return. If you have any questions, please send an email to meredith.miller@pinelakeprep.org or jen.douglas@pinelakeprep.org

We would encourage you to choose someone that you find interesting, but know little about. Let this be an opportunity to learn about someone new from a different walk of life, a different perspective, a different part of the part of the world or a different moment in time.
